HOMECOMING!

1961

SATURDAY, OCTOBER 14th

WILL SEE YOU THERE!

Alumni President's Message

Elsewhere in this issue you will find a report from the Board of Directors summarizing briefly the activities of your Alumni Association during the past year. It is felt that substantial progress has been made in the development of plans for increasing the structural strength of our organization and its effectiveness as an essential factor in the continued growth and expansion of Lenoir Rhyne College.

Our efforts to form new alumni chapters and revitalize those now existing, to strengthen class organization, and to encourage larger individual participation in our work are being intensified. Our Loyalty Fund Program for the current year is "off and running" again under the quite capable direction of Klynt Ripple, who merits our thanks and appreciation for the excellent job he did last year and for his willingness to head the program again this year.

Many of our members will learn for the first time from an announcement in this issue of the resignation of Earl Aiken as Director of Public Relations and Executive Secretary of the Alumni Association. He, too, deserves a vote of thanks and appreciation for his very material contributions to the progress and development of our College thru his unselfish efforts in the publicity and alumni affairs fields. He leaves us with our best wishes for success in his new and quite responsible undertaking.

Finally, remember our 1961 Homecoming Day on October 14. An interesting schedule of events is being arranged for your pleasure and enjoyment, and the largest attendance ever is expected.

Lewis B. Carpenter, President
Alumni Association

Alumni and Students Named To Important Church Positions

Seven alumni of Lenoir Rhyne College are among those recently selected for membership on the principal boards of the Lutheran Church in America which will come into existence in June, 1962, as a result of the merger of the United Lutheran Church in America, the Augustana Evangelical Lutheran Church, the American Evangelical Lutheran Church, and the Finnish Evangelical Lutheran Church. The new church body will have a membership of approximately 3,250,000.

The following are the Lenoir Rhyne alumni who have been elected and the boards on which they will serve:

Executive Council: The Reverend Frank K. Efird, D.D., '38, Salisbury, N. C., and the Reverend Voigt R. Cromer, D.D., LL.D., '25, Hickory, N. C.

Board of American Missions: The Reverend Phillip L. Wahlberg, '44, Austin, Texas, and the Reverend John L. Cauble, D.D., '27, Salem, Organ.

Board of College Education and Church Vocations: Luther G. Boliek, '26, Hickory, N. C.

Board of Parish Education: Miss Eleanor Sheets, '47, Columbia, S. C.

Board of World Missions: Glenn R. Frye, M.D., LL.D., '17, Hickory, N. C.

Other alumni and students of Lenoir Rhyne were elected to responsible positions in the Luther League of America at its national convention, August 14-19, in Urbana, Illinois. Miss Ruth E. Whittecar, '61, Concord, N. C., was elected secretary of the national youth auxiliary. The following were elected to membership on the Executive Committee: Miss Ethelyn Smith, '63, Mount Pleasant, N. C., Miss Mary Mauney, '64, Roanoke, Virginia, Henry McKay, '60, Savannah, Georgia, and Eddie Ricks, '59, Rocky Mount, N. C.

BOARD OF DIRECTORS REPORT

ALUMNI ASSOCIATION—JUNE 3, 1961

Under our new constitution all business of the Association is conducted by the Board of Directors. Thus the annual dinner is not burdened with extensive discussions and deliberations and those attending may relax and enjoy the occasion.

The Board meetings are open and all actions taken are recorded in the Minutes which are available for inspection at all reasonable times. Three meetings have been held during the year and it is felt a report in capsule form may be of interest.

At the beginning of the year a committee was appointed to study the Alumni office, with the view of correcting deficiencies, increasing efficiency and more effectively executing the policies and programs of the Association. The Committee gave much time and thought to its task and as a result of its findings and recommendations, several improvements relating to quarters, equipment, office system, address records and personnel have already been made. The study is continuing and a long range plan for the future is expected to evolve.

With the view of increasing the structural strength of the Association, efforts have been directed through selected Board Members and appropriate Committees to bring about more effective class organization, and the organization of more local Alumni chapters. Programs for class reunions, meetings of class leaders, and formation of new local chapters have been initiated and plans have been made to intensify activity in such during the coming year.

The Board is charged with responsibility for conducting the annual Loyalty Fund Program. The results for the year are now known. For the first time ever an amount goal has been set—and reached. The goal was \$12,000 and the total exceeded that figure. The 700 goal set for number of contributors fell short, but even so it now appears the total number will be more than double our best record. More important, the Board feels, we have a sound, long range program underway and assurance of continuity of successful administration.

Two years ago the Association established under appropriate resolution of the Board of Directors a policy of recognition for achievement and service by giving annually one Distinguished Alumni Award and not more than five Distinguished Service Awards. It is contemplated that the Distinguished Alumni Award be presented to a man or woman who has attended Lenoir Rhyne College and whose accomplishments in some particular field of endeavor, community citizenship, and moral stature are such as to reflect favorably the educational and character building aims of the College, and the Distinguished Service Awards to groups, families, organizations, business establishments, corporations or individuals who have rendered outstanding service to the College.

The recipients of these awards are selected by a committee appointed by the President and, for obvious reasons, the committee must remain anonymous. The two committees which have served thus far have found need for the help of the membership of the Association as a whole to minimize the possibility of a logical nominee being overlooked in its deliberations and selection processes. All members of the Association will be encouraged to call attention to any logical candidate. A full explanation of the intent and purposes of the awards and procedures for offering suggestions will appear shortly in the Alumni bulletin.

The retiring Officers and Directors desire to thank the Association for the privilege of serving on the Board, to express appreciation to the many individual members who have given of their time and talent to carry on the work of the Association during the year and ask your full cooperation with the new Board during the coming year.

COLLEGE CENTER PLANS OUT FOR BIDS

Final approval of the detailed drawings and specifications for the new College Center was given by the Committee on Buildings and Grounds of the Board of Trustees at a meeting on August 24. The plans have been issued to contractors and bids will be received by the Buildings and Grounds Committee on October 4.

Completion of the plans was delayed by some late revisions which were desired to improve the lay-out for space utilization in certain areas and others which were necessary in an effort to reduce construction costs. The revisions do not reduce the size of the building or eliminate any of its facilities, as described in the March, 1961, issue of the Alumni Bulletin. As now designed, the total cost of the building and equipment is estimated to approximate \$750,000.

To finance this project, a \$400,000 loan from the Federal Government through the College Housing program has been approved, and \$200,000 of College funds from the 1955 campaign has been appropriated. It will be necessary for the College to provide additional funds for the cost above \$600,000.

A meeting of the Board of Trustees has been tentatively set for October 10, in the hope that contracts can be awarded at that time. It is estimated that about fourteen months will be required for construction.

Food services will be operated in a vacated and remodeled hosiery mill building during the period of construction. The College purchased the Brown Hosiery Mill property, directly across Eighth Avenue, N. E., from Mauney Music Building, several months ago, on which is located one residence and the mill building.

The transfer of the kitchen and dining room to the temporary quarters was made between the close of the summer session and the opening of the fall term. Meals are being served cafeteria style in the temporary dining hall.

Radiation Course Offered This Summer

Lenoir Rhyne College has been selected as one of two colleges in the state of North Carolina which offered courses on Radiation Hazards and Monitoring Methods for under-graduate credit. This three-hour credit course was given the first session of summer school with Professor Paul A. Reichle, Associate Professor of Physics as instructor.

The students enrolled in this class were trained to teach others in these matters. These persons who received credit were licensed by the Atomic Energy Commission

Above are shown the winners of the Lenoir Rhyne College Alumni Association's Distinguished Service Award and the Distinguished Alumni Award. Two Distinguished Service Awards were presented to Dr. Glenn R. Frye of Hickory, outstanding position and Alumnus of Hickory and the United Lutheran Church Women for their presentation of an organ for Monroe Auditorium. Mrs. Paul Stout of Lexington Vice-President of the organization received the award for the group.

The Distinguished Alumni Award was awarded to Dr. Karl Garrison noted author and psychologist who is presently serving on the faculty of the University of Georgia.

AIKEN RESIGNS AS ALUMNI SECRETARY

Earl L. Aiken has resigned his position as director of public relations and alumni secretary of Lenoir Rhyne college, Dr. Voigt R. Cromer has announced.

Mr. Aiken has excepted an appointment with the federal Government, and will terminate his services on the administrative staff of the College Sept. 30.

The office, which combines responsibility for public relations and alumni affairs, was established as a full-time position at Lenoir Rhyne in October 1950, and has been held continuously by Mr. Aiken.

During his tenure of 11 years he has developed and expanded the system for reporting college news and other information through the press, periodicals, radio, television and other media of public information. His releases ranged from routine reporting of personal items to a student's hometown paper to articles for the wire services and feature stories for state and national publications.

In the area of alumni activities, Mr. Aiken has developed and supervised the system of personal data files, edited the alumni Bulletin, prepared various periodic mailings to former students, directed the Loyalty Fund for annual contributions and assisted in the formation and operation of local chapters of the Alumni Association.

In commenting on the resignation, president Cromer stated: "As director of public relations and alumni affairs, Mr. Aiken has produced a fuller knowledge of the college within the family circle of alumni and constituents and also has made Lenoir Rhyne more widely known in other areas. He has established connections and lines of communication which will be of permanent value to the institution. His service has been characterized by a deep devotion to his alma mater and an ardent enthusiasm for her progress and success. The best wishes of his colleagues at Lenoir Rhyne will accompany him and his family in his new position."

President Cromer said that a successor to Mr. Aiken has not yet been selected, but that it is the intention of the college officials to fill the position without delay.

Directing Committee Selected for 1963 Campaign

The Board of Trustees has appointed a Directing Committee for the \$2,000,000 capital funds campaign for Lenoir Rhyne, scheduled for 1963. This committee is responsible for formulating the general plans and policies for the appeal which will be conducted among the entire college constituency.

Included on the committee are Leonard Moretz, chairman; the Reverend C. Marion Starr, secretary; and the following additional members: Malcolm M. Palmer, LL.D.; the Reverend John W. Cobb; the Reverend Frank K. Eford, D.D.; Grover Ritchie; J. Frank Lipe; Glenn E. Ketner; Henry Von Oesen; Carl F. Mauney; Wallace Gee and Herbert N. Thomas. Ex officio members are President F. L. Conrad, D.D., of the Synod; Chairman Harry E. Isenhour, LL.D., of the Board of Trustees; and President Voigt R. Cromer, D.D., LL.D., of the College.

The campaign was approved by the United Evangelical Lutheran Synod of North Carolina at its 1959 convention, upon recommendation of the Board of Trustees. In its 1961 convention the Synod authorized the Board of the College to proceed with the preliminary phases of the campaign in the fall of 1962.

The Directing Committee has already held two meetings, June 16 and August 30, at which consideration has been given to basic plans, the selection of general chairmen, and the selection of professional assistance.

The campaign will raise funds urgently needed for dormitories and administrative offices, enlargement of library, stadium improvements, additional land, and increased endowment.

NEW OFFICERS

Mrs. D. R. Mauney, Jr., (Secretary and treasurer), Lewis B. Carpenter, Alumni President, and Robert J. Aulander, advertising manager of the Charlotte Observer and speaker for Alumni Day.

Mrs. John A. Ritchie of Taylorsville and a member of the faculty of Lenoir Rhyne College was selected as one of twenty-five college mathematics teachers to attend a conference at the University of Arkansas, August 14- September 1.

The objectives of the Conference were:

- (1) Improvement of subject-matter competence of participating teachers;
- (2) Bringing these teachers into contact with prominent mathematicians, who will participate in the Institute, to stimulate enthusiasm and increase professional prestige;
- (3) Study of new secondary-school mathematics curricula and consideration of the implications of these and similar developments in teacher-training methods— in particular a study of the CUPM recommendations for the training of teachers;
- (4) Improvement of communication and mutual understanding of common teaching problems through day-to-day informal contact among the participating teachers.

Mrs. Ritchie has been on the staff of Lenoir Rhyne College since 1959.

Bears To Be Strong

Lenoir Rhyne, the defending National Association of Intercollegiate Athletics champion, is searching for its seventh consecutive Conference Championship.

The Bears have won the North State Conference title six times in a row. With the addition of Newberry to the conference, the name of the league has been changed to Carolinas Conference.

Feeling in most quarters is that the Bears are still strong enough to continue their high perch in small college circles in the Carolinas.

Five men—most of them prominent in the LR championship lineup last fall—are gone.. But there's an abundance of talent coming back that many people think is as strong as last year's top-ranked club.

The biggest problems—center and tailback—are beginning to smooth themselves out. At tailback, where all-American Lee Farmer graduated, last year's reserve Tony McClamrock and Marcus Midgett, moved from wingback, are taking up the slack and Coach Clarence Stasavich seems pleased with their progress.

At the pivot, Howard Barnhardt, a 200 pound transfer from Wake Forest, is untried. However, experience may be all he needs to fill the bill. Phil Burns and Marion Kirby, both lettermen there last year, are back.

The Schedule:

Sept. 16	Wofford	Hickory 8:00 p.m.
	23 Presbyterian	Hickory 8:00 p.m.
	30 Newberry	Hickory 8:00 p.m.
Oct. 7	Appalachian at Charlotte	8:00 p.m.
	14 Guilford	Hickory 8:00 p.m.
	21 Western Carolina at	
		Cullowhee 8:00 p.m.
	28 Wittenberg (Ohio at	
		Springfield, Ohio 2:00 p.m.
Nov. 4	East Carolina at	
		Greenville 8:00 p.m.
	11 Elon	Hickory 8:00 p.m.
	23 Catawba	Hickory 2:00 p.m.

As usual, the Bears have an impressive list of all-American candidates in camp. Heading the list this fall are end Ronnie Frye, tackle Eddie Haupt and fullback Richard Kemp.

Among the all-conference prospects: tailback Marcus Midgett, guard Jim Edmiston, end Benny Kennerly, blocking back Lee Kanipe and wingback Odell White.

In the line, Lenoir Rhyne should be the strongest it has been in several years.

Swanson On Committee

Dr. R. J. Swanson, head of the Bible Department of Lenoir Rhyne College, has just returned from a meeting at Emory University, Atlanta, Georgia, where he is serving on the Patristics Committee, which is gathering relevant data from writings of the Church Fathers and their quotations of the New Testament.

Dr. Swanson explained that this committee has been in existence since 1946 and is cooperating with other committees for the purpose of publishing a new critical edition of the Greek New Testament Text. This committee has just authorized the printing of one chapter of the materials gathered in research of the Gospel of Luke in order that it may be sent out to all leading New Testament Scholars around the world for criticisms and suggestions prior to publishing the entire Gospel.

Other members of the Committee are Dr. G. D. Kilpatrick, Prof. of New Testament at the University of Oxford, representing the British Committees; and Dr. E. C. Colwell, of the Southern California School of Theology who is chairman of the American Committees. Those other than Dr. Swanson in attendance were: Prof. Ken Clark of Duke University, Prof. Alan Wikgren, University of Chicago; Prof. Bruce Metzger of Princeton University; Prof. Morton Enslin of Crozier Theological Seminary; Prof. Jacob Geerlings of the University of Utah and Prof. Harold Murphy of the University of Penna.

Haupt and Frye are the most prominent names Stasavich and assistant Hanley Painter can call upon. Teaming with Haupt at the tackles is Al Fusonie. Pat Odon is ticketed for a lot of reserve duty.

Edmiston, at guard, has a pretty good running mate in Ronald Hardman. Frye and Kennerly give the Bruins the best first team end consint in the conference. With Dick Angel in reserve, the Bears' coaches aren't worrying about their flankers.

In the backfield, everything is rosy as far as the first team is concerned. However, there's a definite need from reserve help in the secondary.

Defensively, Lenoir Rhyne should be about as strong as last year's NAIA championship eleven. Offensively, LR won't be quite as dangerous with the talented Farmer gone.

Frye, the slender end from Hickory, has been elected captain of the Bears for the 1961 campaign. Haupt, a native of Newton, is the alternate captain.

The 1960-61 Loyalty Fund Campaign Was A Very Successful One

The 1960-61 Loyalty Fund Campaign was brought to a successful conclusion July 1, with pledges and cash totaling \$12,256.55 with 453 contributors.

Mr. Klynt Ripple '40, prominent Lexington businessman sparked this campaign to its first successful conclusion since it was inaugurated in 1950. Mr. Ripple was assisted by an Advanced Gift Committee which were: Mr. Lewis Carpenter, Dr. Carl V. Cline, Dr. Glenn R. Frye, Mr. Cornelius V. Garth, Mr. John F. Keever, Mr. W. K. Mauney, Jr., and Mr. Klynt Ripple as well as many other alumni who worked diligently toward the final goal.

Mr. Lewis Carpenter, President of the general Alumni Association announced that Mr. Ripple has agreed to serve as Chairman of the 1961-62 Loyalty Fund campaign for which a goal of \$18,000 was set last year by the Chairman's Loyalty Fund Committee.

The over-all loyalty fund project calls for raising \$75,000 during the years of 1960-1966 which is designed to show the Alumni's increased support during the past 75 years.

Mr. Ripple stated that he will reveal definite plans to the alumni of Lenoir Rhyne in the very near future as to how this year's campaign will be conducted.
